

21 TEMPORARY CONTROLS (SECTION 01560)

21.1 Part 1 General

21.1.1 Related Sections

Section 01039 - Coordination and Meetings.

Section 01570 – Traffic regulations

21.1.2 Approvals

- A. The Contractor shall obtain approval from the Engineer, the Town Planning Department and “DND” for the location of all temporary works, dewatering lines, etc.

21.1.3 Barriers

- A. The Contractor shall provide barriers to prevent unauthorised entry to maintenance areas and to protect existing facilities and adjacent properties from damage from maintenance operations.
- B. The Contractor shall provide barricades and covered walkways required by governing authorities for public rights-of-way and for public access to existing building.
- C. The Contractor shall provide protection for plant life designated to remain.
- D. The Contractor shall protect non-owned vehicular traffic, stored materials, site, and structures from damage.
- E. The Contractor shall refer to items listed in Section 1570 – Traffic regulations.

21.1.4 Water Control

- A. The Contractor shall maintain excavations free of water. Provide, operate, and maintain pumping equipment.

21.1.5 Exterior Enclosures

- A. The Contractor shall provide temporary weather tight closure of exterior openings to accommodate acceptable working conditions and protection for Products, to allow for temporary heating or cooling and maintenance of required ambient temperatures identified in individual specification sections, and to prevent entry of unauthorised persons.
