

## Regulations of Construction Conditions And Specifications in the Emirate of Sharjah

2. The housing of Imam and Muezzin should not be less than two bedrooms, bathroom, kitchen and sitting room with outer door.
3. A fence wall shall be made around the house, along with leaving a sufficient space to be used as a yard for the house.
4. The house doors must open directly toward the street (Main road).

### **Article (2/47): Endowment (Waqf)**

Means a property which returns shall be allocated for paying the cost of the mosque services and maintenance. The endowment maybe commercial or residential according to the area. It should be observed that Waqf size must be compatible with the mosque size.
