

1 CONTRACT CONSIDERATIONS (SECTION 01019)

1.1 Part 1 General

1.1.1 Related Sections

Section 01025 - Measurement and Payment.

Section 01027 - Applications for Payment.

Section 01028 - Modification Requirements.

Section 01700 - Contract Closeout.

1.1.2 Advance Payment

The Contractor shall provide a Bank Guarantee for the full value of the advance.

1.1.3 Compensation for Damage to Property

- A. Prior to works commencing the Contractor shall carry out a detailed condition survey of all properties, land and equipment which are impacted on by the Works. The survey shall include a detailed photographic record. The survey shall be carried out in conjunction with the Engineer
- B. The Contractor shall reinstate all public and private property if affected by the Works to a condition at least equal to that existing before first entry onto them.
- C. If the Contractor fails to reinstate private property affected by the Works adequately and promptly the Engineer reserves the right to:
 - 1. Arrange for the work to be completed by others,
 - 2. Make payments to the owners and occupiers.
- D. All such costs incurred will be deducted from payments due to the Contractor.

1.2 Part 2 Products
