

7.5 ADQCC and ESMA

7.5.1 Abu Dhabi Quality and Conformity Council (ADQCC)

The Abu Dhabi Quality and Conformity Council (ADQCC) was established by law No. 3 of 2009, issued by His Highness Sheikh Khalifa Bin Zayed Al Nahyan, President of the UAE.

For more info please refer to: <http://www.qcc.abudhabi.ae>

ADQCC is responsible for the development of Abu Dhabi Emirate's Quality Infrastructure, which enables industry and regulators to ensure that products, systems and personnel can be tested and certified to UAE and International Standards.

Products certified by ADQCC receive the Abu Dhabi Trustmark. The Trustmark is designed to communicate that a product or system conforms to various safety and performance standards that are set by Abu Dhabi regulators.

7.5.1.1 Abu Dhabi Certification Scheme for LED Exterior Lighting Fixtures (Luminaires)

The LED Exterior Lighting Fixture Certification Scheme, developed through consultation with regulators and industry, enables suppliers of LED exterior lighting fixtures to obtain voluntary certification of products that meet quality criteria designed to satisfy the standards or equivalent outlined by the Department of Municipal Affairs. The scheme has been specified for 11 types of light fixtures to ensure their safety, performance and energy efficiency. Relevant municipalities or the Department of Transport may impose further requirements not specified within this certification scheme, for example regarding, aspects of design, manufacturing, installation, calculations of road lighting contribution, in order to qualify products for use in projects.
