

## SECTION E110 AIRPORTS

**E110.1 New construction.** New construction of airports shall comply with Sections E110.2 through E110.4.

**E110.2 TTYs.** Where public pay telephones are provided, at least one TTY shall be provided in compliance with Abu Dhabi/ICC A117.1, Section 704.4. Additionally, if four or more public pay telephones are located in a main terminal outside the security areas, a concourse within the security areas or a baggage claim area in a terminal, at least one public TTY complying with Abu Dhabi/ICC A117.1, Section 704.4, shall also be provided in each such location.

**E110.3 Terminal information systems.** Where terminal information systems convey audible information to the public, the same or equivalent information shall be provided in a visual format.

**E110.4 Clocks.** Where clocks are provided for use by the general public, the clock face shall be uncluttered so that its elements are clearly visible. Hands, numerals and digits shall contrast with their background either light-on-dark or dark-on-light. Where clocks are mounted overhead, numerals and digits shall comply with Abu Dhabi/ICC A117.1, Section 703.2.
