

3.7 Supporting Documents

Before the joint site inspection is held, the following relevant documents are to be submitted to SAUP for the handing over of the completed street works.

1. All Construction NOCs.
2. Approved as built drawings signed by the consultant and the SAUP.
3. Road test results, if applicable.
4. Approval from Town Planning Sector of ADM.
5. Approval from UPC, if applicable.
6. Final CC from all relevant SAUP.
7. Photographs showing completed street works.
8. Copy of the approved Snag List from the client.

The submission of above mentioned documents can be made anytime during the MP. Furthermore, all drawings and test reports are to be endorsed by an appropriate licensed consultants and/or contractors relating to the development works.

3.8 NDRC Works

It is mandatory for all contractors to follow and comply with all the requirements as per the DoT NDRC Manual. The NOC for NDRC works released by DoT will be through eNOC operated by DoT.
