

102.05

Green Building Declaration

- a) Each building permit application must have a completed the Green Building Declaration appended to it. This must be submitted at document submission stage.
- b) The Green Building Declaration is an unconditional commitment from the development team to meet the requirements of the Green Building Regulations.
- c) Each applicable regulation must be acknowledged with a tick in the appropriate column in the Declaration, stamped and signed by the consultant.

102.06

Verification of Implementing Green Building Regulation

- a) Evidence of compliance for all applicable Green Building measures shall be provided to the Competent Authority. Specific requirements for information that demonstrates compliance are included within the practice guide and the associated implementation flow chart.
- b) Alternative methods of documentation shall be acceptable (with appropriate discretion) when the Competent Authority finds that the proposed alternate documentation is satisfactory to demonstrate substantial conformance with the intent of the proposed Green Building measure.
