

Figure 184

After the program has completed calculation data may be selected as should be extracted and printed as PDF file – see Figure 185. At the bottom of the project tree, click on the 'Output' tab.

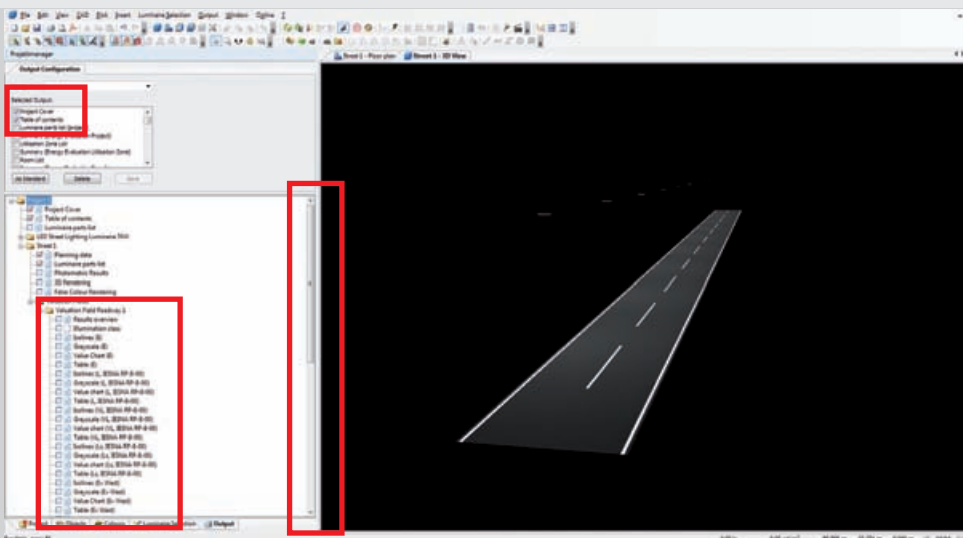

Figure 185

In the Output Project Tree, expand 'Street1', then 'Valuation Fields' and then 'Valuation Fields Roadway 1' under it. By double-clicking on the first sheet, 'Results overview', the results will appear.
