

- B. Products Specified by naming one or more manufacturers: Products of manufacturers named and meeting specifications, no options or substitutions allowed.
- C. Products Specified by naming one or more manufacturers with a Provision for Substitutions: The Contractor shall submit a request for substitution for any manufacturer not named in accordance with the following article.
- D. Where the Contract Documents require that a certain product is to comply with a particular standard, the Contractor shall present an affidavit from the manufacturer certifying that the product complies therewith. Where requested or specified, the Contractor shall submit supporting test data to substantiate compliance.

25.1.7 Substitutions

- A. Substitutions may be considered when a Product becomes unavailable through no fault of the Contractor.
- B. Document each request with complete data substantiating compliance of proposed Substitution with Contract Documents.
- C. A request constitutes a representation that the Contractor:
 - 1. Has investigated proposed Product and determined that it meets or exceeds the quality level of the specified Product.
 - 2. Will provide the same warranty for the Substitution.
 - 3. Will coordinate installation and make changes to other Work, which may be required for the Work to be complete with no additional cost to DMAT.
 - 4. Waives claims for additional costs or time extension, which may subsequently become apparent.
 - 5. Will reimburse DMAT for review or redesign services associated with re-approval by authorities.
- D. Substitutions will not be considered when they are indicated or implied on shop drawing or product data submittals, without separate written request, or when acceptance will require revision to the Contract Documents.
- E. Substitution Submittal Procedure:
