

# Estidama construction submission at Certificate of Completion application

## IDP-R1: Integrated Development Strategy

- ☐ Narrative showing an updated process chart of the IDP highlighting changes from the design stage and listing successes and challenges during construction stage
- ☐ Updated implementation strategy

## IDP-R2: Tenant Fit-Out Design & Construction Guide

- ☐ Tenant Fit-Out Design and Construction Guide

## IDP-R3: Basic Commissioning

- ☐ List of all meetings attended by the Commissioning Agent through commissioning period and project handover, including dates

Final Commissioning Report, including:

- ☐ Owner's Project Requirements
- ☐ Project commissioning specifications
- ☐ Verification of installation
- ☐ Operation & Maintenance Manual

## NS-R2: Natural Systems Protection

- ☐ Evidence that features of ecological value have been protected during construction; for example, a construction management plan and dated photographs of successfully protected areas/features
- ☐ Updated development map delineating the built limits of all proposed development and disturbance, setback zones, and buffer areas
- ☐ Supporting calculations summarizing final total land area and protected areas
- ☐ Confirmation of the appointment of a management and maintenance organization (with a contract running for at least 5 years), if management not to be undertaken by the local municipality. The confirmation must contain details of individuals responsible and their duties in line with the strategy
