

### **27.1.9 Final Acceptance**

- A. The Contractor shall submit written certification that Contract Documents have been reviewed, Work has been inspected, and that Work is complete in accordance with Contract Documents and ready for Engineer's review.
- B. The Contractor shall request inspection by DMAT upon the Engineer's approval.
- C. When the Works have been finally accepted by the Engineer and DMAT, the responsibility for operation will be taken over by DMAT. However, for the first 12 months after take-over the Contractor shall remain responsible for the maintenance and repair of equipment or other assets and for the replacement of defective products.

### **27.1.10 Issue of Completion Certificate**

- A. The Completion Certificate for any section of works will only be issued if the Contractor submits, together with his application, a written statement of the appropriate authorities confirming that reinstatement of surfaces, land etc. has been carried out to the owner's satisfaction.
