18. Any other activities, which in the opinion of the Engineer are required for working construction.

H. The work programme shall illustrate complete the sequence of construction by activity, identifying work of separate stages. Dates shall be provided for all submittals and return of submittals, dates for procurement and delivery of critical products, dates for installation and provisions for testing, meetings, conferences and other off-site activities.

I. If at any time it should appear to the Engineer that the actual progress of the Works does not conform to the approved programme, the Contractor shall produce, at the request of the Engineer, a revised programme showing the modifications to the approved programme necessary to ensure completion of the Works within the time for completion as defined in the Contract.

J. The approval by the Engineer of such programme or the furnishing of such particulars shall not relieve the Contractor of any of his duties or responsibilities under the Contract.

K. Sub-Programmes for activities shall be prepared if required by the Engineer.

L. The Contractor shall participate in review of Programmes, network diagrams and analysis with the Engineer for each submittal.

M. After review, the Contractor shall revise as necessary or as required by the Engineer as result of review, and resubmit within one week.

N. The Engineer has the authority to instruct the Contractor to execute certain works ahead of the programmed time and the Contractor shall comply with this instruction and adjust his work program accordingly.

O. For works in security areas, the Contractor shall take into account that all material, construction equipment, etc. may not be permitted to remain over night or during holidays inside the security area but must be stored / parked outside.

12.1.5 Analysis

A. The work programme shall tabulate each activity of detailed network diagrams, using calendar dates, and identify for each activity:

1. Activity number

2. Activity description

3. Duration of activity in work days
